

PARENTS MUSIC CLUB

September, 2011
Musical Greetings!

The Parents Music Club welcomes you to the 2011-2012 musical school year! The PMC is a non-profit parent-driven organization that raises money for all the performing arts departments in the Portsmouth Public School System.

This last school year was outstanding, filled with lots of musical accomplishments by our students!

And thanks to the generosity of PMC supporters, membership dollars contributed to many musical activities in the Portsmouth schools. Here are just a few....

- Scholarships for elementary instrumental students
- Additional financial support for elementary music teachers
- Scholarships for summer music programs
- Scholarships for college-bound music students
- Assistance for Middle School band and chorus participating in the Great East Music Festival
- Support for the purchase of audio equipment and instruments
- Financial assistance to all schools for trip competitions

Most of our money is raised through membership and concert ticket sales. Concerts are held throughout the year at the Portsmouth High School and feature a combination of elementary, middle and high school students.

Will you help us? Please fill out the membership form and mail it to the supplied address or return it to your child's music teacher. (That information is on the flip side!!)

We welcome you to join us at the Parents Music Club meetings held once each month in the Music Room at Portsmouth High School. And please consider joining our board!

We thank you in advance for your support of the Parents Music Club and hope to see you at our concerts.

Sincerely,

Lori Lampert
