Gold and Silver prices have skyrocketed!!!

Why not go to Port City Coin and Jewelry and cash in on your unwanted gold and silver. Coins, jewelry, etc. count too! You will get cash in your pocket and Port City Coin and Jewelry will donate 10% of all transactions to the Portsmouth High School Band to help finance their trip to Florida in April to compete with bands from around the country!

Example: If you cash in your gold and silver and receive \$1700.00, Port City Coin and Jewelry will donate \$170.00 to the PHS Band!

Bring this flyer to Port City Coin and Jewelry and the band will get the credit!

We also will gladly take donations of gold and silver (like a single earring, bracelet, or silver spoon etc). Drop off the item(s) to the band room at school and we will combine all donated items to cash them in!! We can arrange for pick up if you can't drop off your item(s).
